

Merri Creek Primary School

Child Safety Code of Conduct

June 2019

Merri Creek Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists the broader school community in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy and other school policies and procedures, professional standards and codes of conduct which apply to staff working at Merri Creek Primary School.

The leadership team at Merri Creek Primary School will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The leadership team will also provide information and support to enable the Code of Conduct to operate effectively. Specifically, the Assistant Principal is the designated Child Safety Officer for Merri Creek Primary School.

All staff, contractors, volunteers and any other member of the school community involved in child-related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.

- treating students and families in the school community with respect both within the school environment and outside the school environment as part of normal social and community activities.
- listening and responding to the views and concerns of students, particularly if they are telling you that they or another child has been abused or that they are worried about their safety or the safety of another child

The Merri Creek Primary School Child Safety Code of Conduct was approved by the Merri Creek Primary School Council on 12 June 2019. It is scheduled for review in 2022-2023.
